

# Certificate

Standard **ISO 14001:2015**

Certificate Registr. No. 01 10406 1427586

Certificate Holder: **Flargent S.A.**  
Adolfo Alsina 771  
C1087AAK Ciudad Autónoma de Buenos Aires  
Argentina

including the locations according to annex

Scope: Engineering, supply, manufacturing of process equipment and facilities for the downstream and upstream oil and gas industry. Engineering service, specialized consulting and project management. Rental and operation service of process equipment and facilities for the upstream of the oil and gas industry. Provision of personnel with or without supervision for replacement of solid beds (sulfatreat) and simple maintenance tasks (general painting, mounting of signage, supports, cable routing, pipes, weeding) in the downstream and upstream oil and gas industry. Inspection, surveying and measurement services in hydrocarbon facilities, construction sites and photovoltaic plants, using RPAS (Remotely Piloted Aircraft Systems).

Proof has been furnished by means of an audit that the requirements of ISO 14001:2015 are met.

Validity: The certificate is valid from 2026-03-20 until 2027-03-11.  
First certification 2015
